istituite per il gratuito patrocinio; sono contingenti, transitori; non costituiscono giuramai giudicato, e possono sempre essere revocati su domanda della parte contraria ed anche all'Intendente di Finanza; onde sarebbe una vera absurdità definirli come sentenze pronunziate in prima e seconda istanza, considerando specialmente che il reclamo, di cui al surriferito art. 22, non viene notificato alla parte ammessa al gratuito patrocinio, e la Commissione presso la Corte d'appello vi provvede senza alcuna contraddizione delle parti, come appunto è accaduto nel caso presente e come la legge prescrive.

Se, dunque, fra i casi dalla legge deferiti alla cognizione della Corte di cassazione non può compendersi quello in esame, e se i provvedimenti delle Commissioni presso le Corti d'appello non hanno né la forma né la sostanza di sentenze pronunziate in grado d'appello, è forza concludere per l'inammissibilità del ricorso per cassazione.

Il ministro Vacca nella relazione stessa prosegue così: "Nè qui vuolsi tacere un'altra considerazione, ed è che il buon senso legislativo raccomanda gelosamente la estimazione dello stato dei costumi e della pubblica opinione, innanzi di mutare la detta riforma legi-
